

House Resolution No. 2595

Whereas, the members of the Missouri House of Representatives hold in high esteem those Show-Me State residents who have demonstrated exceptional commitment to their local communities and neighborhoods through participation in a number of diverse service venues; and

Whereas, Connie Voss has attained considerable distinction as an entrepreneur who has garnered accolades and honors as the recipient of a Leadership and Community Service Award in light of her service as President of the St. Clair Chamber of Commerce in 2002; and

Whereas, Connie Voss was presented with her Leadership and Community Service Award plaque at an awards ceremony conducted on March 29, 2003, at the St. Clair Elks Lodge by the St. Clair Area Chamber of Commerce; and

Whereas, when a previous employer relocated to Rockford, Illinois, Connie Voss founded Laser Pace Technology (LPT1) as an information systems company to employ her beloved colleagues who chose to remain in St. Clair rather than move out of the area; and

Whereas, now in its seventh year of operation, LPT1 is universally acclaimed for the volunteer work of its employees who have made innumerable contributions to the St. Clair community; and

Whereas, not to be outdone by her associates at LPT1, Connie Voss has exuberantly focused her energy and time into such St. Clair Area Chamber of Commerce projects as strengthening the area's business and industrial environment, restructuring the organization of the Chamber, rewriting Chamber bylaws, and establishing the first full-time position of Executive Director to ensure that the long-term goals and day-to-day leadership of the Chamber would endure; and

Whereas, Connie Voss has inspired consensus and cooperation not only among St. Clair Area Chamber of Commerce members, but also between the organization and city political institutions and offices:

Now, therefore, be it resolved that we, the members of the Missouri House of Representatives, Ninety-second General Assembly, join unanimously to applaud the well-deserved selection of Connie Voss for the Leadership and Community Service Award from the St. Clair Area Chamber of Commerce and to convey to her this legislative body's heartiest congratulations and best wishes for continued personal and professional success for many more years to come; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution in honor of Connie Voss of Laser Pace Technology in St. Clair, Missouri.
